#### The Voice of Christian Initiation for The Plenary Council

The Australian Catholic Bishops, on receiving approval from Pope Francis, have called for a Plenary Council in 2020. This important Council, called in our time, is a significant moment in Australian Church history, to plan for the future of the Australian Catholic Church. As a local national Council, it is the highest form of Church gathering outside the ecumenical councils, and we are all invited into this dialogue.

The Plenary Council question is, **what do you think God is asking of us in Australia today?** The clergy and laity are being asked to openly listen to what the Spirit is asking of us and share with each other our stories, ideas, concerns and strengths of the Australian Catholic Church, and its future. The Church has, and is, facing huge challenges today; it is part of our *full, conscious and active participation* of Christian discipleship , to engage in this conversation. [Sacrosanctum Concilium 14]

Christ's mandate to the early Church at His Ascension (the RCIA Gospel) was to share the Good News, which is essential to Christian initiation. As we respond to God's mission of evangelisation, RCIA is at the heart of this. The unfolding discernment we must practice, calls us to '*Listen to what the Spirit is saying ...*' [Rev 2:7] to each of us.

Those on the conversion journey of becoming Catholic are actively *listening to what the Spirit is saying to them*. Through the nature of the process of initiation; their seeking, responding, challenges, and struggles, offer us all the example of positive engagement with the Spirit, as they discern their path forward. By our accompanying them, we bear witness of our faith and experience.

**Have a special meeting to share the Plenary Council Question in each stage of the RCIA process.**

**Respond on-line to the Plenary Council as an RCIA group.**

**Discern and grow over the RCIA process in our sharing and discussion of:**

***What God is asking of us in Australia today?***

Each stage of the RCIA process has a different tone and intention; with this in mind, resources have been prepared for each phase, based on a foundation document of the Plenary Council, Pope Francis' encyclical *Evangelii Gaudium*, *the Joy of the Gospel*. The Resources invite each part of the RCIA journey to reflect on the Plenary Council question as they explore extracts from the encyclical based, on the particular stage of RCIA.

Some may question why the voice of converts is important to *what God is asking of Australia today?* The hope of Christian Initiation is that those we walk with become future active members of our parishes. They affectively highlight what God is asking of them, (and us) by positively answering His call, to *come and see*. The Church's responsibility is to pray for, support and nurture those in our midst, seeking closer union with Christ and His Church.

The 2020 Plenary Council, invites the whole Church of Australia to respond to what God is asking of our culture, in our time and place. St Benedict echoes the Book of Proverbs, asking us to *listen with the ears of our heart*, tuning our ear to wisdom and our heart to understanding; [Prov 2:2] Let us all respond to the Plenary Council so the voice of RCIA is heard, as we reflect on this question and the future of the Australian Catholic Church.
