‘Come and See’

Five stepping-stones to assist young teenagers explore the Christian faith.

We invite them to **Come and See** and so discover:

- *All about me and God*
- *Who is Jesus*
- *The need to belong*
- *A people not a building*
- *Growing into faith*

- Catechist Notes for each step are for use in conjunction with the **Crossroads Resource**
- Additional resources also provided

*The disciples of John the Baptist, asked of Jesus, ‘Master, where do you live?’
‘Come and See’ he replied. [John 1:35-39.]*

The same invitation is being offered to inquirers today.
